About

Motivated third-year Computer Engineering student with strong programming, data structure, and web development skills. Seeking an entry-level or internship opportunity to apply technical knowledge to real-world projects and contribute in a challenging tech environment.

Education

Gujarat Technological University, BE in Computer Engineering 2022 – 2026

- CGPA: 9.54 (5th Semester)
- **Coursework:** Computer Architecture, Data Structure and Algorithms, Computational Theory,Database Management Systems,Operating System, Computer Networks, Software Engineering, Python for Data Science, WEB Programming, Advanced Java Programming, Theory of Computation, IOT and Applications

Technologies

Languages: HTML, CSS, C++, C, Python, Java, SQL, JavaScript(basic), Typescript(basic)
Soft Skills: Problem Solving, Time Management, Email Writing, Effective Communication, Leadership

Projects

Amazon Clone Website

- Built a pixel-perfect Amazon clone with HTML and CSS.
- Gained hands-on experience with Flexbox and Grid to create a static Amazon homepage clone.
- Tech Stack: HTML, CSS
- Live Demo: https://web-development-amazon.vercel.app

Personal Portfolio Website

- Created a personal portfolio website to showcase projects, skills, and contact information.
- Highlighted academic background, technical skills, and project experience in a professional format.
- Tech Stack: HTML, CSS
- Live Demo: https://web-development-my-portfolio.vercel.app/

Quiz Game

- Designed and developed a command-line based quiz game to test general knowledge.
- Used Python data structures (like lists/dictionaries) to store questions and answers.
- Tech Stack: Python

To Do List

- Implemented dynamic task addition, deletion, and status updates through DOM manipulation.
- Used clean and modular JavaScript code for maintainability and scalability.
- Tech Stack: HTML, CSS, JavaScript
- Live Demo: https://web-development-to-do-list.vercel.app/

Certifications

Code Unnati – SAP CSR Program 2023 – 2024
High Impact Presentations – OnWingspan 2024
Email Writing Skills – OnWingspan 2024
Time Management – OnWingspan 2024
